

\$25,000 in 2 Weeks!

➡➡just mail my **BIG CASH FLIER**.... ⬅⬅

How would you like to learn how I made over \$25,000 in 2 weeks? Well, I'm going to let you in on it so that you can do it, too. Just mail my **BIG CASH FLIER**!

Yep, I raked in over \$25,000 in just two weeks! And I practically sat on my butt the whole time!

Well, that's not exactly true. From time to time, I rolled out of my easy chair just long enough to walk to the kitchen and get some more snacks. It seemed like I was getting paid to eat Devil Dogs®!

WHEN MY CRAZY COUSIN ELMER SPILLED THE BEANS...

About nine months ago, my crazy cousin Elmer called me and told me that he had, in his own words, "struck gold."

Now, I knew that ol' Elmer didn't live by any goldmines, so I thought he had finally cracked up for good. But I got into my pickup truck and drove over like a bat outta hell.

When I got there, Elmer's dogs were out barking like there was no tomorrow. "What the hell is going on here?," I wondered. Whatever had happened, it was so good that even the dogs were going nuts about it!

\$25,000 IN THE FIRST TWO WEEKS!

Elmer must have heard my pickup truck, 'cause he came running out of his trailer like a cow that'd just felt the sting of the branding iron.

The crazy nut grabbed me by my arm and pulled me inside. When I got in, I almost gave up the ghost right there.

On his coffee table was a big pile of cash...over \$25,000 worth...that he had made in just two weeks!

ELMER'S BIG CASH FLIER

Did he knock over the bank? Nope. Elmer said that he had just mailed out a simple letter. He called it his **BIG CASH FLIER**.

After he brought it to the town post office, he sat around and did nothing (no different from what he usually did.)

About two weeks later, the mailman came knocking on the door. The poor sap looked like he had just got thrown off the mechanical bull in the local moonshine joint.

The heavy canvas mail bag was so full of thick envelopes that Elmer practically soiled his pants.

It took him and the missus over nine hours just to open it all. After counting it, they discovered that they had received over \$25,000!

No wonder the far side of his trailer was filled with a couple dozen shopping bags. The old nut had been sneakin' around and spending some money! No more 99-cent

stores for good ol' Elmer anymore!

If crazy Elmer and his missus could make \$25,000 in two weeks with this **BIG CASH FLIER**, anyone can.

I'm not tryin' to be a smartie, but it's true. Doesn't mean I don't love the sap, but he isn't the swiftest kid on the block.

THEN I TRIED IT!

I asked Elmer if he would let me in on his **BIG CASH FLIER** secret, too. At first he hesitated. But after a little "arm twisting", I finally talked him into it.

The next day, I put it in the mail. Things were quiet at first. But one week later, money started pouring in. By the time two weeks had passed, I had received well over \$25,000!

I'm gonna give you the same **BIG CASH FLIER** that Elmer gave to me. When you get it, go ahead and mail it.

Then, just sit back on your keister and chew on some pork rinds, or whatever your snack of choice is. Your windfall will arrive, too!

BE PREPARED FOR THE BIG SHOCK!

Two weeks after you mail the **BIG CASH FLIER**, you're gonna get a real shock. The money's gonna come in, and it's gonna come in fast!

Remember, I made \$25,000 in 2 weeks. Crazy Elmer and I kept mailing his **BIG CASH FLIER** and the money kept coming!

But there's something else that I need to warn you about. When you start making all that dough, the townsfolk are gonna start sniffin' around.

That's what happened to crazy Elmer, but he solved that problem by getting a couple of extra junkyard dogs...two "red-nose" pit bulls that kept everybody off his property. Now he and the missus can finally live in peace with their money.

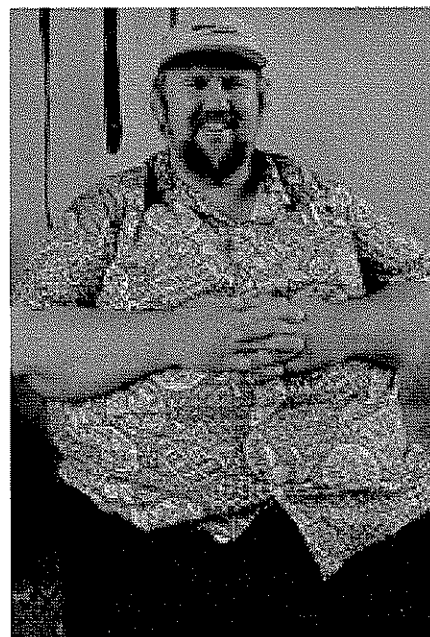

IT'S YOUR TURN TO CASH IN ON CRAZY ELMER'S BIG CASH FLIER!

I'm going to do for you what cousin Elmer did for me. I'm going to let you in on this **BIG CASH FLIER**. I'm gonna rush you the same flier that Elmer used to make \$25,000 in two weeks. And this isn't any sneaky "switcheroo." No changes have been made to Elmer's incredible flier!

MONEY BACK GUARANTEE

I believe in good old American trust. But since you haven't dealt with folk like me before, I'm going to make you a really good offer. Order the big cash flier. When you get it, mail it out to who I say.

If the mailman doesn't come to your door with \$25,000 within 2 weeks, send the letter back within 90 days and I'll return your purchase price, ok? *You can't lose!* Go ahead and take action! Order it right now!

When I did this, I made...

\$99 an HOUR!

...just by 'hand-addressing' the special invitations!...

How would you like to get \$99 AN HOUR just for doing something that you probably already do for free? Rest-assured, if you can handwrite a simple name and address, you can get \$99 AN HOUR just like I did!

My Amazing Story

My name is Steve Christie. Just three months ago, I was in the depths of despair. I remember the day it all started. The boss called me into his office and told me that he "had to let me go." I was stunned.

I argued with him for about twenty-minutes, but it didn't do any good. I went into a panic. How would I pay my mortgage and all my other bills? Boy, did I have trouble falling asleep that night. I thought the stress would put me into the insane asylum.

In the middle of the night, I woke up in a cold sweat. The bed sheets looked like someone had poured a bucket of water on them. I went into the bathroom and looked at myself in the mirror. I knew I had to do something fast.

Early the next morning, I started thinking about how I could save myself from this terrible mess. I suddenly remembered that an old friend of mine had told me about an opportunity that he had heard about when he had visited the east coast on vacation.

I was practically out of breath when I called him! When he answered, I got to the point right away. I asked him if the program was still going on. "Not only is it still going on, but it's been expanded!" he shouted. "The folks are making so much money that we're taking new people in! JOIN US!"

I jumped at the chance! Over the next half hour, he explained this amazing opportunity to me. He rushed me a copy of what he called the "special invitation" by overnight express. I couldn't believe how simple it was!

I sure didn't want to waste any time, so I got started right away! For four hours, I relaxed and hand-addressed the special invitations using the names and addresses he gave me. After it was all said and done, I waited.

About 19 days later, I got a big fat envelope in the mail. Inside was a check for \$396 payable to ME! All for just four hours of the easiest "work" I ever did! That night, I took my friend out for the biggest, juiciest steak he had ever had in all his life!

\$99 an Hour!

It doesn't get better than this! This is so easy that you can do this sitting home in front of the TV! That's right—it's almost like you'll be getting paid to lounge around! Isn't it time you finally start getting good money coming in? Now you can do just that!

These special invitations are incredible little cash generators that bring money like it's going out of style. The more invitations you hand-address, the more you could make! New people are being accepted right now!

This is not some insulting ploy that's designed to make you pay for some company's postage expenses. In fact, you do not have to spend money on postage to do this!

Better yet, you don't have to buy mailing lists to use this system! I'm going to show you

how to get as many names and addresses as you want without having to pay a thing for them! As you can see, this is "true blue!"

This is NOT a job!

Fortunately, this is not a job but a powerful new way for you to start getting the money that you deserve. This is not about "chump change". This is about real money. Your days of having to accept the scraps off someone else's table are OVER forever!

This system will give you true freedom! You can do this as much or as little as you like. Spend just one hour a day doing this and take the rest of the day off! Or, give your success a hot turbo boost by doing this four or five hours a day!

With \$99 AN HOUR, it just might be time to throw your alarm clock out the window. You won't be needing it anymore! And no one is going to be "looking over your shoulder" or "supervising" you. You will have complete freedom to do what you want when you want!

These special invitations are something totally new and different. That's right—the package that we're going to rush to you is unlike anything you've ever seen before! You're going to get the same package that my friend sent to me!

They will envy YOU!

Isn't it time that people envied YOU for a change? Be warned—your new money will attract lots of attention from others! Just imagine how YOU would feel if your "newly-rich neighbor" suddenly showed up with a new car, a new Rolex™ watch or even a "full house renovation"! What's the first thing you'll buy when you get your first check?

With \$99 AN HOUR, you can say good-bye to pinching pennies. You can soon forget the "poor days" when you had to hope that there would be money in your bank account. From now on, your bank account will be like your own personal Fort Knox!

Imagine being able to call your family and friends together to tell them that you've finally achieved your dream of making really big money. They might just hope you'll "spread it around a little"...and why not!? Go right ahead and lavish some of it on the people you love! Do whatever you want with it! After all, it will be your money!

Of course, you might be skeptical. "Other people" might think you're crazy for getting in on this. But where are they in life? If you want to achieve your dreams, you have to step away from the crowd and do something that others might not have the courage to do. \$99 AN HOUR gives you that chance!

Money Back Guarantee!

The time to act is now. After all, none of us are getting any younger. Somehow, as the days slip by, we come to accept that we have fallen short of our dreams. But this is a chance for you to get back on track by saying NO to failure!

You can say YES to dreaming again by getting in on \$99 AN HOUR right now! We're so sure that you will get \$99 AN HOUR doing this

that we're willing to back up everything we've said there with an unconditional one-year money back guarantee. Simply send us your coupon right now. As soon as we receive it, we'll rush you the \$99 AN HOUR system by first class mail.

\$450 a Day!

Get \$3 for every booklet you mail!

How would you like to make **\$450 A DAY**? This isn't "hype". You are **guaranteed** to get \$3 for every booklet that you mail! Best of all, we will provide you with an *unlimited* number of booklets for FREE. And you **never** pay any postage!

My name is Bob House. My company wants to get our special booklets out to as many people as possible. This is where **you** come in. You'll get \$3 for every booklet you mail!

\$450 A DAY!

This "chance of a lifetime" is truly head and shoulders above the rest. What other opportunity offers you the chance to get **\$450 A DAY**? And don't forget...you get as many booklets as you like for FREE. There is *never* any cost whatsoever!

Best of all (*hold onto your hat!*), **you'll receive your payment and postage before you mail the booklets!** That's right! You will not mail the booklets and **THEN** get paid. You'll get paid \$3 for every booklet you mail **before** you mail them! You get your money upfront!

With all the other systems, they ask you to "trust" them. Yeah, right! Isn't *that* convenient! Funny how it's always you who has to do the trusting. *Why don't they trust YOU?* Well, that's exactly what's going to happen! We are going to trust **YOU**.

THERE IS NO LIMIT!

There is **no limit** to the numbers of booklets that you can mail. If you want to mail 100 booklets one day, go ahead and mail 100 booklets. If you want to mail 200, mail 200 and so on.

And if you wake up one morning and just feel like relaxing, go right ahead and take the day off! **Take a whole week off if you feel like it.** After all, the booklets will be there when you're ready to start mailing them again!

THIS IS NOT A JOB!

Another reason that this system is great is because it is **NOT** a job! This is an opportunity for **you** to be in charge! You will never have to answer to some loud, nagging penny-pinching boss who treats you like he **OWNS** you.

Instead, you will be able to "write your own ticket". When people ask you if you like your boss, you'll be able to look them right in the eye and say, **"I'M THE BOSS!"**

There just isn't any better feeling than being able to tell people that you're the captain of your own ship. But let me warn you—your neighbors and friends might just "get a little jealous" when they see how well you're doing.

So when all the money comes in, you just might want to "hush it up" a bit, if you know what I mean. If you decide to take some of your money

IMAGINE THE POSSIBILITIES!

MAIL 25 BOOKLETS—GET \$75!
MAIL 50 BOOKLETS—GET \$150!
MAIL 100 BOOKLETS—GET \$300!
MAIL 150 BOOKLETS—GET \$450!
MAIL 500 BOOKLETS—GET \$1,500!
MAIL 1,000 BOOKLETS—GET \$3,000!
MAIL 5,000 BOOKLETS—GET \$15,000!
MAIL 10,000 BOOKLETS—GET \$30,000!

and order a **new flat screen TV**, have the delivery men bring it around back. Better yet, ask them to deliver it *after* the sun goes down!

INCREDIBLE MONEY!

The amount of money that you'll make with this system is **incredible**. It will give you a whole new life. Sadly, most people have to **break their back** on a regular basis just to get by.

You're days away from being able to say good-bye to the idea of "just getting by"! From now on, it's going to be **first class all the way!** You're going to be able to get the **best** no matter where you go! Isn't it about time *you* got treated like a **KING**?

When you start doing this, you're actually going to work a **whole lot less** than you've ever worked before! That's right! **You'll be making WILD amounts of money by doing LESS work!** This system is so great that it even lets you "get a little lazy" from time to time!

I bet you've heard the phrase, "You have to work smart, not hard." You are now being offered an opportunity to do just that!

It isn't fair that other people **who don't deserve it as much as you do** get to lounge around all day while you give your blood, sweat and tears to your work and get paid **LESS** than those "light-weights" do! Now it's time for **you** to move to the front of the line!

There is only **one kind** of person that we don't want for this opportunity. We do **not** want people who are going to take the money and booklets and not mail them! **Those types of people are most certainly not welcome here.**

If, however, you are **HONEST** and you honor your commitments, you are **definitely** invited to get in on this!

THE "ULTIMATE" MONEY-BACK GUARANTEE

To prove to you that I really mean business, I'm going to offer you what I call the **ultimate** money back guarantee. Here it is: Order the **\$450**

A DAY system right now.

When you get it, put it into use. If you don't immediately start making **\$450 A DAY**, simply return it to me within six months. I'll rush you a **full refund** of your purchase price, no-questions asked. It is **THAT** simple.

IT'S TIME FOR YOU TO "MAKE YOUR MOVE!"

The time has now come for you to make your move! Since I don't know you or where you live, you have to contact me. And the way to do that is by sending me the coupon below with your **one-time** payment of **\$32** (\$28 plus \$4 s/h).

This is truly one of life's **RARE windows of opportunity**. What you do right now will determine whether you live out your days in luxury and plenty, or continued struggle, having to "cut corners" at every turn. I urge you to accept this opportunity **right now!**

As soon as I receive your order, I'll "double-rush" it to by first class mail. You will be able to start doing this on the **very same day** you get my materials! Order right now!

I MADE...

**\$5,000
BUCKS!**

...after mailing the SPECIAL ENVELOPE!...

STOP!

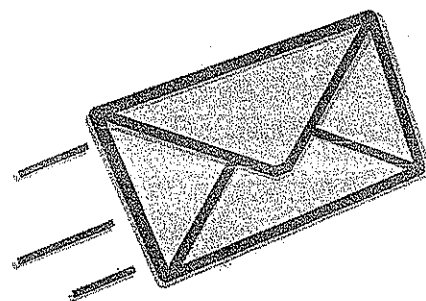

Take a moment, close your eyes and *imagine* the BODY-SHAKING JOY of getting a \$5,000 check payable to YOU! Well, your days of "just pretending" are over! Yes, your DREAMS about having big money are about to become your actual **REALITY**.

I certainly never thought that I would ever have the good fortune of getting a \$5,000 check sent to me. But thanks to this system, that's exactly what happened! It really is an *incredible* feeling when you get a \$5,000 check and see that YOUR NAME is on it! The RELIEF combined with the JOY is just remarkable!

I STILL REMEMBER "THAT DAY"!

I will never forget the day that I found out about this unusual special envelope. My ex-wife came by to drop off the kids that afternoon. We divorced a few years ago but stayed friendly for the sake of the children.

Linda knew that I had been having money problems. So when she dropped off the kids, she quietly handed me \$500 cash. "You and the kids have fun this weekend," she whispered. With a mischievous grin, she drove off just as quickly as she had arrived!

"Just where in heaven's name did Linda get \$500 to give to me?" I wondered. My mind ran wild all that weekend as the kids and I spent her money. When she showed up at the end of the weekend, I invited her inside. I was going to get to the bottom of this if it killed me!

I DID SOME "ARM-TWISTING"!

I knew that my ex-wife wouldn't share her secret without a fight. So as soon as

she sat down, I offered her some white wine. *And I kept offering!* After her third glass, I twisted her arm for a few minutes until she finally stopped resisting and told me **EVERYTHING!**

She had come up with an ingenious idea that she called her **special envelope**. After getting her hands on the unusual envelope, she mailed it. And guess what happened a couple weeks later? **She received a check for exactly \$5,298.44 payable to her!**

I asked her if I could use her secret, too. Much to my surprise, she readily agreed! So the next day, I mailed the *special envelope*, too. And I'll be a monkey's uncle—a check for \$5,118.02 showed up in my mailbox about sixteen days later!

Outside of the birth of my kids, that was the happiest day of my entire life. Since then I've never stopped mailing it, and the **JUICY CHECKS** always show up on time! The *special envelope* "keeps on going", just like the Energizer® Bunny!

YOU WILL BE TOTALLY AMAZED!

You won't ever forget the day when your money shows up. In fact, I bet you'll be just like I was...completely amazed and **jolted** that it really is happening to you. **Don't be surprised if you feel a little "light-headed"** when your first \$5,000 check arrives!

But don't worry—after you get your **third or fourth** check, you will have gotten used to it and the shock will have gone away! Getting the money that you deserve will be a **normal occurrence** for you!

Since you don't know me personally, you might have some doubts as to whether or not you should send for this. That's normal, especially since it's so easy in today's world to **promise something** and quite different to actually **deliver** on that promise.

"TAKE NO CHANCES" MONEY BACK POLICY!

I am going to offer you a chance to look this over **without taking any chances whatsoever**. Simply order the \$5,000 BUCKS system right now. When you receive it, go ahead and mail the special envelope right quick!

If you don't receive a \$5,000 check within a couple of weeks after mailing the special envelope, simply return it **within a whole year's time** and I'll send you a refund, *no-questions asked!* With such assurance, you take no chances.

Isn't changing your future worth a measly \$26? After all, what good are your

dreams if you aren't willing to **reach out and grab 'em** when they come your way? **Now is the time** for you to grab the new future that you have deserved for so long!

Don't let this be the moment that your dream slipped away! The money you need could be right around the corner. I want to rush you the \$5,000 BUCKS system by first class mail. So go ahead and send in the coupon right now!
